

Dr. Park's Publication on SDR

Peer-Reviewed Journal Articles

1. Phillips LH, Park TS: Electrophysiological mapping of the segmental anatomy of the muscles of the lower extremity. *Muscle and Nerve* 1991; 14:1213-121
2. Harris MM, Kahana MD, Park TS: Intrathecal morphine for postoperative analgesia in children after selective dorsal root rhizotomy. *Neurosurgery* 1991; 28:519-522
3. Park TS, Owen JH: Surgical management of spastic diplegic cerebral palsy. *N Engl J Med* 1992; 326(11):745-749
4. Riegel EV, Gunter JB, Lagueruela RG, Park TS, Owen J: Anesthesia for selective dorsal rhizotomy in children. *J Neurosurg Anesthesiol* 1992; 4(3):182-187
5. Coffey RJ, Cahill D, Steers W, Park TS, et al: Intrathecal baclofen for intractable spasticity of spinal origin: Results of a long-term multicenter study. *J Neurosurg* 1993; 78:226-232
6. Phillips LH, Park TS: The frequency of intradural conjoined lumbosacral dorsal nerve roots found during selective dorsal rhizotomy. *Neurosurgery* 1993; 33:88-91
7. Phillips LH, Park TS: Electrophysiological mapping of the segmental innervation of the saphenous and sural nerves. *Muscle and Nerve* 1993; 16:827-831
8. Park TS, Gaffney PE, Kaufman BA, Molleston MC: Selective lumbosacral dorsal rhizotomy immediately caudal to conus medullaris for cerebral palsy spasticity. *Neurosurgery* 1993; 33: 929-934
9. Park TS, Vogler GP, Phillips LH, Kaufman BA, Ortman MR, McClell SM, Gaffney PE: Effects of selective dorsal rhizotomy for spastic diplegia on hip migration in cerebral palsy. *Pediatr Neurosurg* 1994; 20:43-49
10. Craft S, White DA, Park TS, Figiel G: Visual attention in children with perinatal brain injury: asymmetric effects of bilateral lesions. *J Cognitive Neurosci* 1994; 6:165-176
11. White DA, Craft S, Hale S, Park TS: Working memory and articulation rate in children with spastic diplegic cerebral palsy. *J Neuropsychol* 1994;8:180-186

12. Heim RC, Park TS, Vogler GP, Kaufman BA, Noetzel MJ, Ortman MR: Changes in hip migration after selective dorsal rhizotomy for spastic quadriplegia in cerebral palsy. *J Neurosurg* 1995, 82:567-571
13. Craft S, Park TS, White DA, Schatz J, Noetzel M, Arnold S: Changes in cognitive performance in children with spastic diplegic cerebral palsy following selective dorsal rhizotomy. *Pediatr Neurosurg*, 1995, 23:68-75
14. White DA, Craft S, Hale S, Scatz J, Park TS: Working memory following improvements in articulation rate in children with cerebral palsy. *J Internation Neuropsychol* 1995, 1: 49-55
15. Chicoine MR, Park TS, Vogler GP, Kaufman BA: Predictors of ability to walk after selective dorsal rhizotomy in children with cerebral palsy. *Neurosurgery*, 1996, 38:711-714
16. Engsberg JR, Olree KS, Ross SA, Park TS: Quantitative clinical measure of spasticity in children with cerebral palsy. *Arch Physical Med Rehab*, 1996, 77:594-599
17. Chicoine MR, Park TS, Kaufman BA: Selective dorsal rhizotomy reduces rates of orthopedic surgery in children with spastic cerebral palsy. *J Neurosurg*, 1997, 86: 34-39
18. Ojemann JG, Park TS, Komanestsky R, Day RAA, Kaufman BA: Lack of specificity in eletrophysiological identification of sacral roots during selective dorsal rhizotomy. *J Neurosurg*, 1997, 86: 28-33
19. Shatz J, Craft S, Koby M, Park TS: Paired associate learning in children with perinatal brain injury: Correlates with severity and location of brain injury. *J Internation Neuropsychol Soc* 1997; 3:521-527.
20. Ojemann JG, Park TS, Komanestsky R, Day RAA, Kaufman BA: Lack of specificity in eletrophysiological identification of sacral roots during selective dorsal rhizotomy. *J Neurosurg*, 1997, 86: 28-33
21. Engsberg JR, Olree KS, Ross SA, Park TS: Maximum effort resultant knee joint torques in children with spastic diplegia. *J Appl Biomechanics* 1998; 14:52-61.
22. Engsberg JR, Olree KS, Ross SA, Park TS: Spasticity and strength changes as a function of selective dorsal rhizotomy. *J Neurosurg* 1998; 88:1020-1026
23. Engsberg JR, Ross SA, Park TS: Changes in ankle spasticity and strength as a consequence of selective dorsal rhizotomy for spastic cerebral palsy. *J Neurosurg* 1999, 91:727-732.

24. Soliman IE, Park TS, Berkelhamer MC: Transient paralysis after intrathecal bolus of baclofen for treatment of post-selective dorsal rhizotomy pain. *Anesth Anal* 1999, 89:1233-1235.
25. Engsberg JR, Ross SA, Olree KS, Park TS: Ankle spasticity and strength in children with spastic diplegic cerebral palsy. *Devel Med Child Neurol* 2000, 42:42-47.
