* Electronic Records are transferred to Washington University CME Office

# EARLY BIRD UPDATES ON OUR WEBSITE

www.StLouisChildrens.org/Med_Ed

**OBJECTIVE**
The intended result of this activity is increased knowledge and competence. By the end of this program physicians should be able to: Discuss current recommendations on the clinical management of pediatric problems encountered in daily practice.

**ACCREDITATION**
Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**CREDIT**
Washington University designates this live activity for a maximum of 1.0 AMA PRA Category 1 credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**DISCLOSURE POLICY**
It is the policy of Washington University School of Medicine, Continuing Medical Education, that planners, faculty and other persons who may influence content of this CME activity disclose all relevant financial relationships with commercial interests in order to identify and resolve any potential conflicts of interest prior to the educational activity. Faculty must also disclose any planned discussion of unlabeled/unapproved uses of drugs or devices during their presentation. Detailed disclosures will be announced prior to the presentation or noted on the sign-in sheets.

All physicians’ disclosures are reported and are indicated with their presentations. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental or investigational use of drugs or devices in their presentations. These presentations are the views and experiences of the presenters. The presenters’ views do not represent the policy or position of Washington University School of Medicine. Washington University School of Medicine, Continuing Medical Education is the sponsor for CME credits.

**SPONSORED BY**
This activity is being sponsored by Washington University School of Medicine, Continuing Medical Education.
